

# NC WOMEN MATTER

WE ARE THE MAJORITY. VOTE.

## NC WOMEN MATTER. Who are we?

NC Women Matter is a coalition of close to 30 women's organizations from across the state. We are a non-partisan group with the expressed intent of substantially increasing the female vote in the 2012 election. The group was formed last Fall and has been growing ever since.

Women make up just over 54% of the registered voters in North Carolina. Women are the majority and we must vote. The above logo symbolizes the overriding focus of NC Women Matter. That is, when women are informed and educated about the issues and vote in their interest, good things happen for women, children, and families. The purpose of NC Women Matter is to educate on the issues important to women. Wise policy makers will listen to the majority voice when it is loud, clear and direct.

Buttons are available with this logo and theme. You may request a few at [info@ncwomenmatter.org](mailto:info@ncwomenmatter.org)
